SIXTY-EIGHTH ANNUAL REPORT

of the town of

OLD ORCHARD BEACH

For the Year ending December 31, 1950

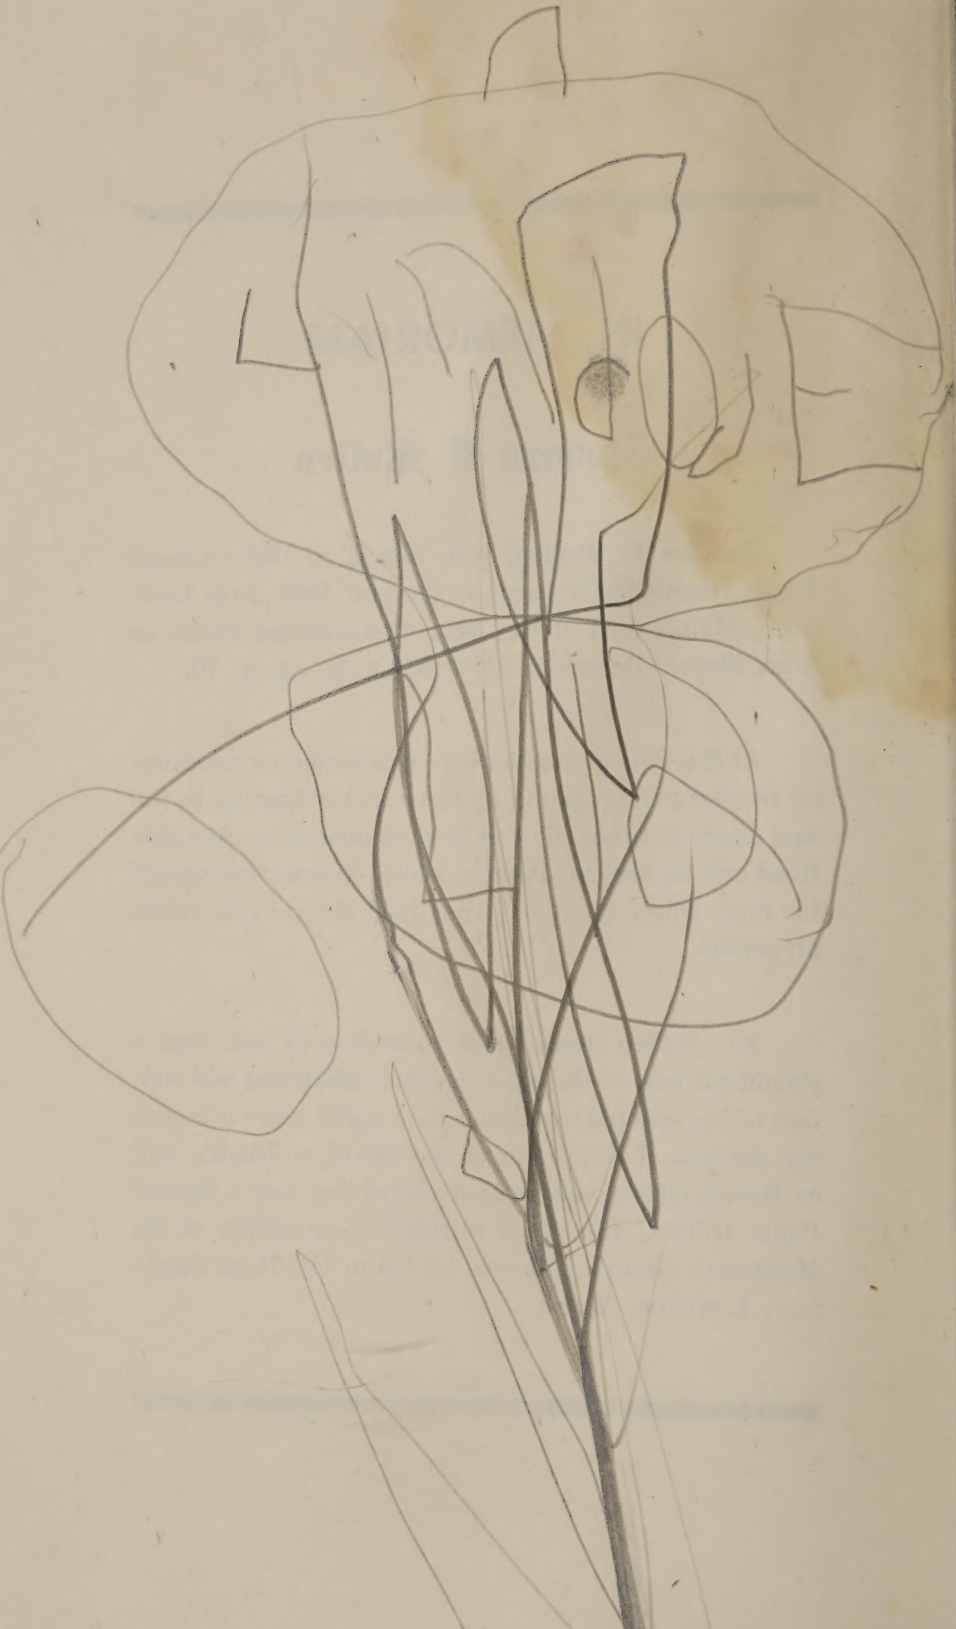

IN MEMORIAM

Thomas B. Mullen

Thomas B. Mullen, who moved to Old Orchard Beach (then Old Orchard) in the year 1906, from Lewiston, Maine, died at the Bean Convalescent Home in Saco, Maine, December 21, 1950 at the age of 76.

At the time of his death he was holding a residence on Staples Street; being more or less connected in the real estate business, he had held residences on Adelaide Road and on Mullen Avenue, which Avenue was named for him; where he at one time held several real estate properties.

Mr. Mullen was always interested in and took a prominent part in the activities and upbuilding and welfare of his adopted town, and for several years occupied the position of Chairman of the Board of Health, and as Health Officer, and in that connection was a Special Police Officer. He was a faithful communicant of St. Margaret's Church. He was buried in Mt. Hope Cemetery, Lewiston, Maine.

SIXTY - EIGHTH ANNUAL REPORT

OF THE TOWN OF

OLD ORCHARD
BEACH

MAINE

FOR THE YEAR ENDING

DECEMBER 31, 1950

TOWN OF OLD ORCHARD BEACH

TOWN OF OLD ORCHARD BEACH

Albert Gray, Jr., Manager

Honorable Board of Selectmen and Citizens of Old Orchard Beach:

It is with the greatest of pleasure I submit to you the annual report for the Town of Old Orchard Beach, the first since the adoption of the council-manager form of government.

This report of a municipal business and activities is designed to give you a picture of the year's operation. It is hoped you will give it careful consideration, because the government of the town, its problems and achievements are important to all of us.

We feel this has been a successful year, that progress has been made and more is on the way. Progress depends upon team work and cooperation on the part of the town employees and you its citizens. We must continue to work together in the future so that Old Orchard Beach will be an even better community to live in.

Very truly yours,

ALBERT GRAY, Jr.

Town Manager

MANAGER'S REPORT

The manager plan has been in effect in Old Orchard Beach for a period of nine months to December 31, 1950. During the year many changes have taken place. One of the major changes is in the number of members of the Board of Selectmen. The Board of Selectmen consists of five members instead of three as under the old form. The Board and the town meeting are the policy makers for the town. After the policy has been decided it becomes the duty of the manager to administer the policy as smoothly and efficiently as possible. Understanding and cooperation between the Board of Selectmen and the Manager are of greatest importance. Both are working toward the same end: better and more efficient government for you. The selectmen determine within the mandate of town meeting what needs to be done: the manager determines the best way to carry out these policies.

The creation of a Public Works Department has resulted in more efficient service to our citizens. The functions of the highway, sanitation, sewer, snow removal and other related functions have been combined under one department. This allows for greater utilization of manpower and equipment. The department is under the supervision of a foreman who takes his orders from the manager, the personnel of the department are used in whatever capacity necessary to get the maximum for our money. At no time is equipment or men idle. The services of the Sanitation functions has been increased to cover areas not serviced before: namely Millikens Mills, Cascade Road and other parts of Portland Avenue. The overdraft in this department as will

SIXTY-EIGHTH ANNUAL REPORT

be shown further in this report was \$82.76 as against \$3,674.46 last year. A more detail comparison can be seen from figures presented further on in this report. There is at all times a policeman on duty to take advantage of our police car which serves as an ambulance in cases of emergency.

Several changes have been made on the interior of the town hall building. A small office has been constructed for the manager to allow for privacy when one of the citizens comes into the office. The cages have been taken down and a small meeting room made for the use of small groups. The town clerk has a private office so he may keep his records together and easily accessible. The manager acts as clerk to the Board of Selectmen and minutes are kept of all meetings and filed for future reference.

We have added three new units to our two-way radio system. Two in the fire department and one in the Public Works Department. These aid greatly in more efficient and faster service by these departments. With Civilian Defense becoming more and more prominent, they will be of even greater use to our community.

The detail expenditures of all departments are listed in this report. The method of presentation has been changed from previous years. This was done so that at a glance you would know just how the funds were spent. The individual payments are on file in the office should anyone wish a further breakdown.

The town is now receiving revenue from the rubbish that is deposited on the dump thereby reducing the amount of money raised by taxation to support the town

TOWN OF OLD ORCHARD BEACH

dump. The dump also has been moved about a mile further up the T for Turn road eliminating a bad condition adjacent to our schools.

This report has in general covered the activities and major changes in the town's government. This with the balance of the report will give you a complete picture of this year's operation.

Respectfully submitted,

ALBERT GRAY, Jr.

Town Manager

SIXTY-EIGHTH ANNUAL REPORT

REPORT OF PUBLIC HEALTH NURSING SERVICE

TOWN OF OLD ORCHARD BEACH.

To the Board of Selectmen and the Citizens of the Town of Old Orchard Beach, Maine.

The 20th annual report of the Public Health Nursing Service is hereby submitted.

Total Cases carried 768, classified as follows:

Nursing.		Welfare.	
Non-communicable	224	Infants (1 mo. to 1 yr.)	90
Acute communicable	45	Pre-school	106
Pre-natal	31	School children	22
Maternity	46	Adult welfare	30
New born infants	49	Crippled children	14
Tuberculosis	110		
Total		Total	263

Total visits to Homes 3028, classified as follows:

Nursing.		Welfare.	
Non-communicable	1648	Infants (1 mo. to 1 yr.)	140
Acute communicable	83	Pre-school	279
Pre-natal	83	School children	35
Maternity	100	Adult welfare	35
New born infants	108	Crippled children	51
Tuberculosis	363		
Unclassified	103		
Total		Total	540

TOWN OF OLD ORCHARD BEACH

Office visits 402, classified as follows :

Non-communicable	183	Crippled children	8
Pre-natal	8	Adult welfare	34
Tuberculosis	8	Interviews on behalf	
Infants	30	of Patients	124
Pre-school	14	Total	402
School children	3		

Child Health Conferences	33
Number of Sessions	33
Number attending	472
Number given physical examinations	8
Number of complete immunizations	101

(Complete immunization is composed of three injections at one month intervals, of Diphtheria, whooping cough and Tetanus Toxoid.)

Number vaccinated	94
Clinics for the control of Tuberculosis	2
Semi-annual, March and September.	
Number of Skin tests for Tuberculosis	43
Number of persons X-rayed	103

Other services for the Tubercular patients are the supplying of Sputum specimen receptacles, special X-ray at hospitals between clinic sessions, as recommended by the physicians. Assistance with obtaining Sanatorium care.

SIXTY-EIGHTH ANNUAL REPORT

Meetings attended 39.

Many of these meetings are one and two day Institutes through which the nurses receive Education and information in conjunction with advanced methods and procedures in Public Health.

The annual cost analysis was computed and submitted to those affiliating agencies with whom contracts are maintained.

During the past three months the nursing service has been actively participating in the Civil Defense and Public Safety Program, as recommended by the State and Local Directors, "To be equipped to expand its services commensurate with the needs in event of Disaster or War connected epidemics."

The Financial report of this department shows an unexpended balance, due to the fluctuation of remuneration for services, it is difficult to estimate the amount which may be available for extensive replacements of furnishings.

Cupboards for storage and some furnishings are needed, reasonable estimates on this equipment were received too late for disbursement from 1950 funds.

Miss Arlene Masterman, R.N., Graduate of the Maine General Hospital, Training School for Nurses, has served as part time assistant during the year. She was formerly employed at the Maine General Hospital as Ward Supervisor and Assistant Instructor in Nursing Arts.

TOWN OF OLD ORCHARD BEACH

I wish to extend to Mr. Albert Gray, Town Manager, the Selectmen, Physicians, School Nurse, and the Volunteer Health Council under the leadership of Mrs. Henry Beaudette, my sincere appreciation for their support and cooperation in making this program possible.

Respectfully submitted,

Harriet E. Harbig, R.N.

REPORT OF TOWN CLERK

VITAL STATISTICS

For the Year Ending December 31, 1950

— Record of Deaths —

Lucy M. Emmons, Portland, Me., July 16, 1949, age 64

John E. Kennett, Biddeford, Me., Jan. 2, 1950, age 52,
acute coronary thrombosis.

Rita Henderson, Portland, Me., Feb. 1, 1950, age 33,
carcinoma cervix

Emma Fountaine Bernier, Biddeford, Me., Feb. 2, 1950,
age 65, cerebral hemorrhage.

Herbert Everett Tufts, Old Orchard Beach, Feb. 17,
1950, age 67, acute congestive heart failure.

Roland Tapley Coombs, Old Orchard Beach, Feb. 19,
1950, age 48, angina pectoris.

Warren K. Rich, Biddeford, Me., Feb. 26, 1950, age 73,
cancer of stomach.

Eleanor Thorpe, Gorham, Me., Feb. 28, 1950, age 75,
cerebral hemorrhage.

Bradley Roy, Portland, Me., March 1, 1950, age 17,
metastatic sarcoma.

Alice S. Murr, Biddeford, Me., March 5, 1950, age 91,
arteriosclerotic heart disease.

Samuel Sussman, Old Orchard Beach, March 12, 1950,
age 61, tuberculosis of lungs.

Baby Boy Belanger, Biddeford, Me., April 7, 1950, pre-
maturity.

TOWN OF OLD ORCHARD BEACH

Baby Girl Belanger, Biddeford, Me., April 8, 1950, prematurity.

William R. Langmaid, Dayton, Me., April 8, 1950, age 73, myocardial infarct.

Marion Josephine Forgraves, Old Orchard Beach, April 11, 1950, age 41, carcinomatosis.

George Guertin, Togus, Me., April 29, 1950, age 64, hypertensive and arteriosclerotic heart disease.

Katherine L. Davis, Biddeford, Me., April 21, 1950, age 64, coronary occlusion.

James Edward Fitzsimmons, Old Orchard Beach, May 7, 1950, age 66, terminal broncho pneumonia.

Bertha Greene, Augusta, Me., May 12, 1950, age 85, gangrene of left foot.

Alice Baril, Old Orchard Beach, Me., May 22, 1950, age 78, heart failure.

Katherine R. Stelle, Old Orchard Beach, June 9, 1950, age 82, coronary occlusion.

Edward J. Roberts, Old Orchard Beach, July 2, 1950, age 53, coronary occlusion.

Fred Augustine, Old Orchard Beach, July 6, 1950, age 59, acute coronary thrombosis.

Max Sulkin, Biddeford, Me., July 8, 1950, age 66, congestive heart failure.

Blanche Evelyn Pessolano, Old Orchard Beach, July 10, 1950, age 44, coronary thrombosis.

Frederick T. Hubbard, Old Orchard Beach, July 15, 1950, age 32, fractured skull, accident.

Mary E. Tozier, Old Orchard Beach, July 15, 1950, age 72, coronary occlusion.

SIXTY-EIGHTH ANNUAL REPORT

- Martha L. Pettengill, Biddeford, Me., July 9, 1950, age 75, cerebral hemorrhage.
- Jean Chrysostome Martineau, July 20, 1950, age 55, coronary thrombosis.
- Mary Etta Carll, Old Orchard Beach, July 25, 1950, age 83, congestive cardiac failure.
- Carolyn Ann Lessard, Biddeford, Me., July 21, 1950, age 1 mo. 6 days, nasopharyngitis.
- Laura Fitzgibbon, Old Orchard Beach, Aug. 2, 1950, age 60, cardiac decompensation.
- Nena Painter, Old Orchard Beach, Aug. 5, 1950, age 59, coronary occlusion.
- Annie Erdia Ordway, Saco, Me., Aug. 10, 1950, age 74, carcinomatosis.
- Charles Hooper, Portland, Me., Aug. 10, 1950, age 41, metastatic carcinoma of brain.
- Edward McHarrie, Biddeford, Me., Aug. 21, 1950, age 76, congestive heart failure.
- Elizabeth Fitzimmons, Old Orchard Beach, Aug. 26, 1950, age 74, carcinomatosis.
- Infant Davis, Portland, Me., Aug. 27, 1950, age 1 day, atelectasis right lung.
- William Gerald Doucette, Biddeford, Me., Aug. 28, 1950, age 8, burned to death.
- Mary Plourde, Biddeford, Me., Aug. 28, 1950, age 73, burned to death.
- Wolf Waldorf, Old Orchard Beach, Aug. 30, 1950, age 75, coronary occlusion.
- John Carr, Biddeford, Me., Sept. 11, 1950, age 84, cardiac failure.

TOWN OF OLD ORCHARD BEACH

- Eveline Boisvert, Old Orchard Beach, Sept. 17, 1950, age 72, coronary thrombosis.
- Clarence E. Clough, Biddeford, Me., Sept. 27, 1950, age 49, Brights Disease.
- Florence Sylvester, Old Orchard Beach, Sept. 30, 1950, age 86, cardiac decompensation.
- Albert A. Davis, Old Orchard Beach, Oct. 4, 1950, age 45, carcinoma of lungs.
- Edward B. Whittemore, Old Orchard Beach, Oct. 10, 1950, age 65, coronary embolism.
- George Freeman Hichborn, Saco, Me., Oct. 14, 1950, age 84, myocardial insufficiency.
- Maurice Silverman, Old Orchard Beach, Oct. 17, 1950, age 62, coronary occlusion.
- John Hctor, Old Orchard Beach, Oct. 25, 1950, age 71, pulmonary hemorrhage.
- William B. McKinley, Old Orchard Beach, Oct. 30, 1950, age 66, asphyxiation.
- Helen W. McKinley, Old Orchard Beach, Oct. 30, 1950, age 61, asphyxiation.
- Pasquale Prisco, Portland, Me., Oct. 31, 1950, age 58, acute coronary occlusion.
- Charles Day, Dover, N.H., Nov. 2, 1950, age 66, natural causes—probably some form of heart disease.
- Josephine Palardis, Old Orchard Beach, Nov. 5, 1950, age 86, acute left venacular heart failure.
- Jeremiah P. Sullivan, Old Orchard Beach, Nov. 10, 1950, age 58, broncho pneumonia.
- Josephine Ricker, Old Orchard Beach, Nov. 10, 1950, age 67, coronary occlusion.

SIXTY-EIGHTH ANNUAL REPORT

Norma L. Batchelder, Biddeford, Me., Nov. 5, 1950, age 45, generalized peritonitis.

Hugh McCarr, Old Orchard Beach, Nov. 21, 1950, age 85, glomerulo nephritis.

Marilyn Jean Saucier, Old Orchard Beach, Dec. 11, 1950, age 1 mo., convulsions.

Albert C. Walker, Biddeford, Me., Dec. 12, 1950, age 76, cerebral hemorrhage.

Mariam Proulx, Old Orchard Beach, Dec. 28, 1950, age 60, diabetic coma.

Thomas B. Mullen, Saco, Me., Dec. 21, 1950, age 76, hemorrhage gastric carcinoma.

Annie King, Biddeford, Me., Dec. 21, 1950, age 60, cirrhosis liver.

Oscar G. Steadman, Biddeford, Me., Dec. 29, 1950, age 80, uremia prostate obstruction—carcinoma of right lung.

In accordance with the law passed by the State Legislature the number only of births and marriages recorded are listed.

Number of Births	124
Number of marriages	82

FRED I. LUCE,
Town Clerk

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens
of Old Orchard Beach:

The annual report of the Public Schools of Old Orchard Beach for the fiscal year ending December 31, 1950 discusses general problems in education briefly, reviews local progress, and concludes with pupil statistics followed by the financial summary.

50 ODD YEARS

The turn of a half century may be likened to the seventh inning stretch in a baseball game. We pause a moment to reflect upon the activity just experienced and then our mind is concerned with anticipation towards the unpredictable innings ahead.

The first half of the twentieth century has produced more material progress than any half century recorded in the history of mankind. This progress has had a heavy impact on the development of education during the period. Influences other than material have extended democratic ideas, have overcome the faith of formal mental discipline, have acknowledged the findings of psychologists, and finally have recognized the fact of individual differences.

The field of science—medical, physical, and social—has brought about extraordinary changes in the American scene between the years 1900 and 1950. Improved educational facilities in medical science and sanitation have increased the average life expectancy of the American people from 50 to more than 65 years. Telephone

SIXTY-EIGHTH ANNUAL REPORT

subscribers have increased from a million and a half to more than forty million and automobile ownership from five thousand in 1900 to again more than forty million in 1950. By the year 1949, 83,000,000 radios and 3,000,000 television sets were in use in the United States. From the first successful airplane flight in 1903, Americans are now logging annually more than nine billion passenger miles. From the beginning of the century and within a span of 40 years, the United States has survived the upheavals of two world wars. Since 1935 the Social Security law has paid beneficiaries the unbelievable amount of 24 billion dollars and many more citizens are to be secured under the new 1950 amendment.

In 1900 there were about 15,000,000 pupils in the public elementary school and secondary schools in this country. In 1950, there were about 25,000,000 and those in secondary schools were 12 times greater than in 1900. It is predicted that in ten years time there will be 34,000,000 in the elementary schools alone and more than 8,000,000 in the secondary schools.

In 1900 the expenditure per pupil in average daily attendance was \$16.88. In 1950 the figure was about \$185.00. Expenditures for school construction has jumped from \$35,000,000 in 1900 to about \$500,000,000 in 1949.

The average annual school term has increased from 144 days to 177 in 1948. During this period, teachers' and supervising officers' average salary in cities over 8,000 persons increased from \$670 in 1900 to \$2,886 in 1950. And now once again a shortage of teachers is anticipated.

TOWN OF OLD ORCHARD BEACH

That there is confusion in education as in other phases of American life cannot be denied. A materialistic philosophy and international tensions at mid-century will continue to make heavier the task of education tomorrow in the United States.

BUILDINGS AND GROUNDS

Two additional classrooms were found to be necessary in the fall of 1950 due to very large seventh and eighth grade enrollments. Space for one classroom was provided in the Federal School by taking out partitions in the teachers' room and clinic as well as two toilets. A modern classroom properly lighted and painted was the result. A combination teachers' room and clinic was set up in the original cafeteria kitchen. The value of the building was increased by one classroom which would have cost in the vicinity of \$10,000.00 had this room been annexed to the building. This was managed at a cost to the School Department of only \$2,500.00. The second classroom was arranged by renovation of one of two rooms formerly used as a sub-primary class in the Elementary School.

The Elementary and Old High School housed 11 classes with grades sub-primary through the third in the two buildings. New steps were constructed and some much needed painting was completed in the Old High School. Work was started on the Elementary School roof in effort to correct a snow hazard.

The Federal School, now a ten room building, held classes for the fourth, fifth, and sixth grades as well as two seventh grade groups. All exterior window sash and trim were painted as scheduled for summer work.

The administration of the High School and Annex

SIXTY-EIGHTH ANNUAL REPORT

was carried on much the same as last year. Room assignments were changed to correct traffic problems. The two second floor annex rooms were scheduled for High School use permitting three eighth grade classes and one seventh to use adjacent rooms at that end of the building on the ground floor. Again, the job of painting window sash and trim was completed on this building.

Considerable improvements of playgrounds and general landscaping were made a part of the summer work projects. Working advantageously with the Street Department, who supplied material and labor at cost, the Federal School yard was made larger and resurfaced.

A start was made on the baseball field project to be completed in the spring of 1951. The preliminary work of grading and removing of obstructions was carried on to the limit of funds available.

Work started during the previous year on a circular driveway around the High School was completed and surfaced including the addition of a parking and play area in the rear of the building. A new lawn was seeded and shrubbery was set at the Annex end of the building following the installation of a connecting sidewalk. This concluded the work of the Building Committee who closed their books on a job well done within the appropriation granted them in March 1949.

TEACHING PERSONNEL

Few changes occurred in the faculties of the various schools. Mrs. Alice Mason, who moved to Massachusetts, proved to be the only loss to the system. Miss

TOWN OF OLD ORCHARD BEACH

Sarah Hill of Portland, experienced teacher from the Saco schools, had replaced Mrs. Mason.

Two new teachers were engaged to correct a condition of overcrowding. On the assignment of Mrs. Ella McKenna to a seventh grade in the Federal Building, a vacancy was created in a sub-primary position which was filled by Miss Catherine Merrifield of South Windham. Miss Merrifield had previously taught in Patten. Again, Mrs. Katherine Anderson accepted a new eight grade position leaving a vacancy in the seventh grade. Miss June Watts of Union, a teacher with several years of experience, accepted the appointment to this position in the Federal School.

In line with recent trends, teacher welfare received serious consideration on the part of the Superintending School Committee. Progressive action was taken on the unanimous decision to adopt a teachers' salary schedule. With the schedule being based on background preparation, there is definite encouragement for teachers to continue their studies in their respective fields. To further this interest to the betterment of the Old Orchard Beach Schools, financial aid in the amount of \$50.00 for each summer school attendance was granted by the Committee.

Cost of living adjustments were considered, also, during the late fall and increases were granted ranging from 3 to 7 per cent to be effective at the turn of the new fiscal year. Salaries for the next contract period are to be raised within the limitations of the adopted schedule. In the final analysis, teachers in 1951 will realize a range increase of from 6 to 10 per cent over the 1950 school year.

SIXTY-EIGHTH ANNUAL REPORT

THE SCHOOLS AT WORK

WRITING SYSTEM—The Rinehart Writing System was adopted in the fall of 1950 in the elementary schools. Improvement has been observed even in the short few months of operation from the viewpoint of both parents and teachers.

TESTING PROGRAM—In order to anticipate for guidance purposes the quality of work to be expected from each pupil, mental examinations are given yearly in each of the first, fourth, seventh, and tenth grades. Readiness tests in reading and arithmetic are given yearly in the Sub-Primary classes as well as achievement tests in grades one through eight. Judgment in grade placement is thus supported by actual achievement and academic ability.

COMMERCIAL COURSE—A revision in the high school commercial department was made in the fall of 1950 with the addition of a second instructor. A complete curriculum in this field is now offered and it is expected that only qualified pupils will graduate from this four year course of study.

READING—Continuous study on reading problems is an activity in progress in the primary grades. In order to remove an earlier hazard of forcing children into reading too soon, formal reading was dropped from the Sub-Primary curriculum. These classes now emphasize a readiness course in reading, arithmetic and social adjustment. A desire to learn to read is created. Oral and sight vocabularies are developed based upon two reading programs continued through the second and third grades.

Phonetic training has been re-introduced in the first three grades as an aid in both reading and spelling.

TOWN OF OLD ORCHARD BEACH

AUDIO-VISUAL AIDS — Film strip projectors, radios, and sound film machines are now available for each school. Many of the teachers have prepared themselves for this work by taking extension courses in this field recently. Field trips in and out of town have been occurring with greater frequency.

SCHOOL TRAFFIC — Pupil control against the hazard of traffic on Saco Avenue intersections has been definitely improved during the past fall. Former Police Chief Leon Jones organized the program which has been carried on by Chief Lawrence Mitchell.

SCHOOL LUNCH—The new cafeteria in the high school annex has more than proved its value as a necessary adjunct to the over-all program. Under the careful supervision of Mrs. Esther Crowley this program is making a steady growth as more and more take advantage of well balanced lunches.

SCHOOL BAND — The high school band has become a reality and has improved tremendously during the past year. Sponsored by the Old Orchard Beach Band Boosters' Club and directed by Mr. John Trull, a number of fine performances has been presented in addition to their appearances at the fall football games. An all-out effort is being made by the Boosters, under the leadership of Mrs. Arthur Dickson, to procure uniforms for the coming year.

DENTAL CLINIC—The sodium-fluoride treatment sponsored by the Lions Club is one of the outstanding community efforts in the state. The services of dental hygienist, Mrs. Abby Grant, is completely supported by this civic minded organization.

SIXTY-EIGHTH ANNUAL REPORT

THE P. T. A. — A discussion of the work of the schools of Old Orchard Beach would be incomplete without a comment regarding the Parent-Teachers' Association. Schools are bound to be better organized where parents and teachers work together and this is especially true locally.

The Old Orchard Beach Chapter has been honored this year by having one of their members, Mrs. Theodore Manduca, president of the Maine Congress of Parents and Teachers. Fellow members have been rightfully proud of her outstanding work during her term of office. Once again, they were most pleased to learn late in January of Mrs. Manduca's nomination for the position of vice president, Region 1 of the National Congress of Parents and Teachers.

LOOKING AHEAD

The actual enrollment curve continues its forecasted upward trend. The impact of the increase will be noticeable next year at the high school level as one of the first large entering classes will appear next fall.

Comparative Opening September Enrollments

	1945	1946	1947	1948	1949	1950
Elementary Schools	657	659	712	786	819	328
High School	160	173	194	202	187	193
	817	832	906	988	1006	1025

Plans in the very near future should include a modern primary school and gymnasium enlargement.

Facilities for physical education in the high school are lacking. There is no suitable space for dressing and locker rooms for physical education classes. At the moment, our own local athletic teams are forced to turn

TOWN OF OLD ORCHARD BEACH

over their small dressing rooms to the visiting teams because of the above mentioned lack.

Seating space for athletic games in the gymnasium is limited to 300. The size of the school and the town as well as the interest in the promotion of basketball in Maine circles call for 4 times the present seating area available at the local high school.

FINANCES

Despite failure of the state to return to Old Orchard Beach anticipated subsidy on the basis of existing laws, the School Department closed their books with a small balance.

Increased cost in education is to be expected and cannot be avoided without jeopardizing the rightful heritage of the children of the community. It cannot be charged fairly that the cost of education in Old Orchard Beach is excessive. According to the latest statistics published by the State Department of Education in January 1951, Old Orchard Beach has a school tax rate of .01712. The state average for the same period is .02630. Local school maintenance on which the above was based is costing 9 mills less than the average of the state. The total cost of education during the past year in Old Orchard Beach represents only 27.6 cents of the tax dollar while many communities in Maine are approaching 50 cents of the tax dollar in school appropriations and some exceed the 50 per cent amount.

In effort to secure additional building funds to take care of future building needs, recent applications have been made by the School Committee for a Federal allocation. Eligibility for this money as yet has not been established.

SIXTY-EIGHTH ANNUAL REPORT

1951 BUDGET

The budget for the next fiscal year has been materially increased. The over-all economic picture explains the necessity quite clearly. The rise in estimated expenses represents an increase of 14.7 per cent. This compares favorably with other near-by towns as a check produced a figure in the vicinity of 20 per cent.

The new writing system and the proposed girls' Physical Education instructor represents the only innovations over last year's planning. Instruction in both these fields has long been needed.

It is interesting to note that personnel services of teachers janitors, and conveyance total 81.9 per cent of the estimated expenses. Repairs, fuel, and supplies are listed at 3.7, 3-1 and 3.7 per cent respectively. Text-books, a major item in the program, account for only 2.4 per cent of the total expense while each of the other items are less than 2 per cent.

CONCLUSION

Progress is being made educationally in the schools of Old Orchard Beach. Most of the teachers have been relieved of the tensions attending overcrowded conditions. More and more teachers are advancing professionally to the end that your schools will produce a more competent product.

I have appreciated a sympathetic and understanding attitude on the part of the Superintending School Committee as well as the members of the recent Building Committee who have concluded their duties within the current year.

C. J. CUTTS

SIXTY-EIGHTH ANNUAL REPORT

REPORT OF SCHOOL NURSING FOR 1950

To the Superintendent of Schools and School Committee:

Physical Exams.

High School	168
Annex	83
Federal	165
Elementary	229

Defects Found

Cardiac Conditions	11
Enlarged Tonsils	24

(Four tonsil cases appeared to need immediate care and parents were notified.)

Skin Allergy	1
Skin Infections	2
Skin "Brown Patches"	1
Asthma	1
Chest Deformity	2
Nervous (Subprimary Children)	2
Extreme Dental Needs (now under care— School Clinic)	2

(One of the tonsil cases was recently operated on and two others are due for operation.)

Doctor Skilling, School Physician, commented that he felt that general school health conditions were excellent amongst Old Orchard Beach school children. Physical check-ups are given to the Subprimary group, second, fourth, sixth and eighth grade students, plus new students in all the grades, and any child that the teacher and nurse feels should be seen by the doctor, and the entire High School student body every year.

TOWN OF OLD ORCHARD BEACH

The School Nurse contacts the family when a condition is found that is making difficulty for a child either mentally, physically or emotionally and in many cases some treatment or care can be found to help the situation and relieve the child.

January-Classes in First Aid were carried on through the Spring term with the Junior High School Eighth Grade group. Practical bandaging, control of bleeding, artificial respiration, cleansing of wounds, etc., were all studied and practiced. An avid interest in snake bites by the boys wasn't as generally enjoyed by the girls.

Forty-eight Red Cross First Aid Certificates were received by the above group.

Classes were also carried in co-operation with the Home Economics teacher in Home Nursing. The subjects of major interest to the Freshmen girls who took these classes—as baby sitting—were considered in planning the class work and any topic of interest pertaining to family life was always welcomed for discussion.

Eighteen Red Cross Home Nursing Certificates were received by this group.

Conferences were carried on through the entire year either individually or in class groups on matters of personal health and hygiene, disease prevention and care, and various problems of interest to the individual or group.

Communicable Disease

Mumps	21
Measles	37
Chicken Pox	32
Meningitis	1

SIXTY-EIGHTH ANNUAL REPORT

Barring the one case of meningitis which admittedly gave us some anxious moments we have been fortunate in the comparatively light cases of communicable disease that came to us this past year.

Co-operation of the home and the school in watching for signs of illness and isolation of the children showing such symptoms, as cold infections, paid off in the good general health picture. Teachers and parents worked together for the protection of all concerned.

Toxoid and Vaccination Clinics

Spring Term Immunizations	70
Fall Term Immunizations	44

Clinics were held at the Elementary School and at the Town Hall during the past year. The above school children were protected against smallpox and diphtheria by vaccination and toxoid injections. This health protection program is practically 100% with our children and its excellence is brought home to us when we read and hear about sections of our world where such protection has been neglected and diphtheria and smallpox have cropped up once more.

Patch Tests Against Tuberculosis

Over three hundred Patch tests were given to the Subprimary, grade one, grade eight, new students and High School students during the past year, as a health protection measure. Thirty students had chest x-rays done at the State Diagnostic Clinic held in Biddeford during March 1950. We were happy to find that the x-rays reports in general on the students were good.

General School Nursing

Home Calls	175
Office Patients	1800

TOWN OF OLD ORCHARD BEACH

Office Calls	90
Exclusions (illness and hygiene needs)	125
Messages	370
Conferences	650

Sight and Hearing Tests

High School group eye tests were done by the School Nurse using the Snellen Eye Test Chart. Out of an enrollment of 190 students 15 failed on the sight test and were advised to consult an eye doctor for medical eye exam. These students were old enough to appreciate the need of good sight care and co-operated well with the nurse.

The teachers screened out the grade school children using the Snellen Eye Chart and all failures were retested by the School Nurse. Sixty-three grade school children were retested and where any degree of defect was found the parents were contacted and notified regarding the children's eye test. Fifteen Children were helped in various ways to obtain medical eye care.

The audiometer machine was used to test the hearing from the fourth grade group on through the High School grades. Over 500 tests were given and twelve students were apparent failures. These defects are followed up each year and medical care advised as needed. In the lower grades Watch tick tests and Whisper tests were used to grade the hearing ability. Three children were found with hearing difficulty, and the parents were notified of this condition.

SIXTY-EIGHTH ANNUAL REPORT

The Hot Lunch and Dental Clinic programs have been of great value to our school children during the past year and our best appreciation is given to all the workers and sponsors of these projects, and a word of thanks is also given to the various groups and individuals who have helped us in many ways in the care of our school children during the year 1950.

AGNES V. MURPHY, R.N.

TOWN OF OLD ORCHARD BEACH

Dec. 12, 1950

Mr. Cecil Cutts
Supt. of Schools
Saco, Maine

Dear Mr. Cutts;

Herewith is my report of the examinations of the pupils and students in the schools at Old Orchard Beach with the able assistance of Agnes Murphy, P.H.N. The general health of this group of examinees was found to be very good and as a rule was hampered only by those absent due to the recurrent epidemic of contagious diseases.

The number examined was 645. This includes the system of rotation of the various classes, all new entrants and those that it is deemed advisable to recheck because of a known disability from our previous examinations.

Below is the list of pathological findings:

Cardiac Conditions	11
Disease Tonsils (many of these should have surgical attention)	24
Dermatological (apparently allergic or infectious manifestations)	5
Bronchial Asthma	1
Nervous manifestations	2
Orthopedic	2

Very truly yours,

DONALD S. SKLLING, D.O.

TOWN OF OLD ORCHARD BEACH

AUDITOR'S CERTIFICATE

WE HEREBY CERTIFY, That we have examined the records of the Selectmen, Treasurer and Tax Collector of the Town of Old Orchard Beach, Maine, for the year ended December 31, 1950, and have compiled therefrom the appended statements of cash transactions, appropriation revenues and expenditures and financial condition (Exhibits "A" to "D", inclusive). In connection therewith, we examined vouchers and checks and examined or tested all accounting records and revenues to the extent deemed appropriate, without making a detailed audit of all transactions. We made no outside verification of unpaid taxes or tax liens.

In our opinion, based upon such examination, the appended statements fairly present the financial position of the Town of Old Orchard Beach as at December 31, 1950, and the results of its municipal operations for the year then ended, in conformity with generally accepted principles of municipal accounting applied on a basis consistent with that of the preceding year.

MILLET, FISH & DRESSER

Art. 55. To see if the town will vote to accept the following streets as laid out by the selectmen, Hoffman Street and North Street.

TOWN OF OLD ORCHARD BEACH

SIXTY-EIGHTH ANNUAL REPORT

PROTECTION OF PERSONS AND PROPERTY

Police Department

The record of arrests for 1950 shows a total of 304. These were for many and varied reasons as listed below. In addition 169 automobile accidents were reported and investigated. From April 25 to December 31, 1950 a total of 31 stretcher cases were taken to the hospital in the police car which can also double for an ambulance. This is an average of a little over 3 cases per month for the period the car has been in operation. It has aided the Police Department in giving greater service to the citizens of Old Orchard Beach. In addition the size of the schoolboy patrol has been tripled. Patrol boys now ride the school buses as an added safety feature. The Department wishes to commend the patrol for a job well done.

The department is now prepared to handle all cases of finger print identification. Officer Higgins is a graduate of the Institute of Applied Science located in Chicago, Illinois. The department inspects all summer property frequently and notifies the owners of any irregularities they discover. Immediately following the storm last November these properties were inspected and the owners notified of any damage.

Arrests for other departments	3

TOWN OF OLD ORCHARD BEACH

between the premises of Paul Emile Boisse and Rita Boisse and the property of the town of Old Orchard Beach, as laid out by Libby and Dow, Civil Engineers, located on the Northerly side of Saco Avenue, so-called, and authorize the selectmen and treasurer to execute a deed therefor.

Art. 51. To see if the town will vote to raise and appropriate the sum of \$250.00 toward repairing the easterly abutment of the brook bordering West Grand Avenue between Colby and Ancona Avenues, and raising the level of the street in that area. (The Ocean Park Association to bear the balance of this expense.)

Art. 52. To see what sum, if any, the town will vote to raise and appropriate to install a public drinking fountain on Temple Avenue near the Memorial Library.

Art. 53. To see what sum, if any, the town will vote to raise and appropriate to Cold Patch the following walks:

100 feet on south side of Temple Avenue beginning at Fourth Street and running easterly; 150 feet on Colby Avenue, north side in front of Recreation Building; 200 feet, Winona Avenue, south side, between Seaside Avenue and waterfront; Ancona Avenue, north side, 350 feet, between Seaside Avenue and waterfront.

Art. 54. To see if the town will vote that a committee of 5 be appointed to study the insurances of the town and make a report at the next annual Town Meeting and the Manager be made chairman.

Art. 55. To see if the town will vote to accept the following streets as laid out by the selectmen. Hoffman Street, North Street.

SIXTY-EIGHTH ANNUAL REPORT

The Polls will be open at 9:00 a.m. and will remain open until 7:00 p.m.

Given under our hands this 24th day of February,
A.D. 1951.

Report of Superintendent of Schools

To the Superintending School Committee and Citizens of
Old Orchard Beach:

The annual report of the Public Schools of Old Orchard Beach for the fiscal year ending December 31, 1951 reviews briefly education in general, progress at the local level, and concludes by summarizing teacher, pupil, and financial statistics.

AMERICAN EDUCATION 1951-52

Education today is an investment in people. It is the strongest single factor in the advancement of our country. It is big business financially and personally.

In no other nation now or in recorded history have so many enrolled for education. Practically all children under 16, three of every four of high school age; one in every six of college age, and some thirty million adults are preparing themselves for the future.

When people devote a fifth to one-third of their life to going to school, they are establishing their faith in education as a direct answer to present day critics.

There is still a lag in financial support to this vast educational enterprise. The nation at large will expend an estimated 5.1 billion dollars for the operating cost of their schools this year. It is not enough when the same nation will expend some 20 billion on gambling and another 9 billion on liquor. It is not enough when 400,000 pupils are reported in part-time classes. It is not enough when 1 in 13 teachers or 70,690 teachers will hold sub-standard certificates. It is not enough when teachers' salaries do not compare favorably with those of the average gainfully employed person.

TOWN OF OLD ORCHARD BEACH

This difficulty is further complicated by nationwide manpower conditions, especially with reference to the uncertain demands for active military service, the restraints upon school construction, and the increasing budget and taxation of the Federal Government.

Today's schools are providing a remarkable range of personal services. From the kindergarten, junior primary, or first grade on the check-ups begin. Hearing, eyesight, teeth, general health, intelligence and achievement, soon become a part of the detailed file to be used for counseling purposes by the parent and teachers. Conveyance to and from school, traffic supervision at crossings, and provisions for hot-lunch at mid-day complete the personal services that usually could not be found in yesterday's schools.

Modern education is big business in the United States. It is attempting what seems to be impossible to provide custom-built, specialized, extensive preparation for life for each of 33,000,000 pupils.

LOCAL BUILDINGS AND GROUNDS

Extensive repairs and improvements have been made during the past year. Unexpected emergencies could not have been met without additional funds from the town had not the budget been supported by a government subsidy under Public Law No. 174.

It was discovered during the summer that the roof of the Elementary School would have to be re-surfaced. A patching job, only, had previously been scheduled. Insurance inspectors recommended a new furnace in the Elementary School and when it was found to be impossible to purchase a new front section, a new furnace and oil burner was installed. At the same time, a new oil burner was ordered for the Federal School completing the conversion to oil in all school buildings.

In addition to some maintenance painting inside and out at the Elementary School and renovation of a basement ceiling, a new sheet iron snow shield was erected on two sides of the building top in order to eliminate the danger of falling ice.

Part of the old high school roof was shingled to complete the work on the School Street buildings.

The fluorescent lighting program at the Federal Building was continued so that now one-half of this building has modern lighting facilities and the classrooms were painted in pastel shades. All the chalkboards were re-surfaced with new sight-saving green finish.

The high school received minor repairs and painting and a new walk-in refrigerator was erected in the room adjacent to the boiler room. A storage closet for band uniforms was constructed in the cafeteria. A new two-way communication system was installed during the summer as an aid to the administration of the school. New bleachers were erected in the gymnasium removing an obvious hazard of the past two years.

The work of grading, seeding and laying out the diamond for the baseball field was nearly finished last summer, and the field will be ready for baseball this spring. Additional grading and fill were necessary on the football field due to an underground drainage problem.

Much has been done in one short year under the direction of the School Committee in their effort to keep the property under their control in as good condition as possible.

TEACHING PERSONNEL

There were several changes in the teaching personnel during the year. Miss Jane Watts resigned in January to enter a school of religious training. Mrs. Jane McDonald, a substitute teacher in the Biddeford schools, accepted the appointment to this position. Mr. Russell Copeland resigned to accept a position in Windham High School and Mr. Charles Loranger of Old Orchard Beach, a teacher in New Portland High School, was engaged to replace him. Mrs. Arlene Davis Fitzgerald, Andrew Laughton, and Mrs. Mary Fallon resigned to leave the teaching profession. The School Committee was fortunate in being able to fill these vacancies with excellent experienced teachers. Mrs. Evelyn Smith, former teacher in Old Orchard Beach, returned from teaching in North Carolina

TOWN OF OLD ORCHARD BEACH

to accept the seventh grade appointment. Mr. Ralph Hawkes of Saco, instructor in the English Department at Biddeford High School, and Mr. Myron Pierce of Westbrook, an instructor in Northeastern Business College of Portland filled the existing high school vacancies.

In order to fulfill a need that has been recognized for some time, a department of Physical Education for girls was created in the high school during the fall of 1951. Miss Shirley O'Neil of Portsmouth, New Hampshire, instructor of Physical Education at Kents Hill for the past two years, was appointed to this position.

Advancement of the professional level of teaching services in the local schools has been made much to the credit of the individual teachers. An increasingly large number of the faculty group are availing themselves of summer schools and extension courses each year. The additional work of keeping abreast of educational trends and the gaining of supplementary background material cannot help but be reflected in a better pupil product.

In-service work of teachers through the medium of monthly grade meetings has produced an overall curriculum study of the elementary schools while one study group interested themselves in the development of an integrated social studies curriculum for grades one through eight.

EXTRA-CURRICULAR

The so-called extra-curricular activities as distinguished from the academic are often neglected in a report of this type. They are so extensive, however, that little more than a listing may be made at this time. It should be noted that these activities are a part of the school offering and not an extra and serve as a teaching effort with respect to the whole child.

SIXTY-NINTH ANNUAL REPORT

The activities follow:

Dental Clinic	Band	Dancing
School Patrol	Junior Red Cross	Orchestra
Student Council	School Lunch	Debating
Field Trips	Fire Drills	Oceana
Dramatic Club	Athletic Association	School Banking
Baseball	Field Hockey	Varsity Club
Football	Bowling	Basketball
Prize Speaking	Air Raid Drills	Softball
Glee Clubs	Senior Class Trip	Cheer Leaders
Class Plays	Assemblies	Local Drives

TOMORROW'S PLANS

A glance at the September opening enrollments for the past six years will reveal an apparent leveling off of total enrollments. The high school curve is still moving up while the elementary school dipped for the first time.

Comparative Opening September Enrollments

	1946	1947	1948	1949	1950	1951
Elementary	659	712	786	819	832	807
High School	173	194	202	187	193	201
	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
	832	906	988	1006	1025	1008

Planning for the near future includes the replacement of the old high school building with a modern primary school and the enlargement of gymnasium, dressing rooms, and storage facilities.

Steel lockers for each high school pupil are on order and should relieve an ever present problem of the past.

A new Driver-training course will be inaugurated in the fall of 1952. The proper training of young drivers is one of the essential needs of to-day's youth.

TOWN OF OLD ORCHARD BEACH

To round out the present program, a director of Guidance for both elementary and high school pupils and suitable space and teacher service for the exceptional child are pressing needs. These requirements are most evident and should be placed first in our thinking for to-morrow.

HIGH LIGHTS SUMMARY 1951

1. Two school buildings converted to oil.
2. New bleachers installed in high school gymnasium.
3. New Science for Living Course in Home Economics.
4. Physical Education program adopted for girls.
5. Two-way intercommunication system installed in the high school.
6. New baseball diamond on athletic field.
7. New walk-in refrigerator for cafeteria.
8. New furnace in the Elementary School.
9. New roof surfacing on the Elementary School.
10. New fluorescent lighting in the Federal School.

FINANCES

Applications for Federal Aid to the Old Orchard Beach educational program made in December 1950 under Public Law 874 at the request of the Superintending School Committee were favorably received and acted upon by the U. S. Office of Education under the Federal Security Agency. Following notification by Senator Margaret Smith, the amount of \$11,146.35 was received in July.

These funds were allocated for current operating expenses for the direct purpose of equalizing educational opportunity in communities effected by the World War II effort. Such funds may not be used for the purpose of reducing town appropriations for the support of schools.

It was particularly fortunate that this grant was made available for several unexpected emergencies occurred that would have necessitated requests to the town for additional money to meet existing obligations for the balance of the year.

This money is to be expended during the government's fiscal year between July 1, 1951, and June 30, 1952, and funds already unexpended are committed in the 1952 budget.

It will be noted that there is a balance of \$6,108.76 in the total school accounts. This figure, with the exception of previously committed federal funds, will be used to materially reduce the 1952 budget.

1952 BUDGET SUMMARY

Services	Expenses (Est.)	Per Cent	Credits	1952 Appro- priation
1. Contractural	115,279.14	78.9	22,392.14	92,887.00
2. Operating	19,985.17	13.7	1,152.17	18,833.00
3. Repairs	7,633.45	5.2	2,633.45	5,000.00
4. Administration	3,230.00	2.2		3,230.00
	<hr/>	<hr/>	<hr/>	<hr/>
	146,127.76	100.0	26,177.76	119,950.00

The budget for the new year calling for an appropriation of only 1334 more than last year represents economy in estimates of expenditures. While not in tune with the general economic picture, it presents a distinct effort, under the direction of the Superintending School Committee, to cooperate with the town government in the reduction of operating costs without reducing service.

CONCLUSION

Our school system is indeed fortunate in having the continued personal interest of the Parent Teachers' Association, the Band Boosters' Club, and the Lions' Club. Their projects cannot be measured in terms of money and it is a hope that the return is great in the warmth of good will and civic pride developed.

I am impressed with the cooperation of a sincere faculty of teachers, the personal sacrifice of time and energy of an understanding School Committee, and the helpful interest of parents and citizens of this community.

C. J. CUTTS,
Superintendent of Schools

TOWN OF OLD ORCHARD BEACH

REPORT OF SCHOOL NURSING

1951

To the Superintendent of Schools and School Committee:

We opened our past year of 1951 with some intensive work in preparation for any possible needs that Civilian Defense might have for the nurses of this area.

SPECIAL CLASSES

The Instructor's Course in Home Care of the sick was taken by the School Nurse with a Red Cross Field Representative and an Instructor's Certificate was received in January, entitling her to teach this new course. 18 hours time given to this course.

The School Nurse taught an adult group for 15 hours in First Aid work to enable them to renew their First Aid Certificates and be eligible for Motor Corps work—completed this course in January.

A First Aid Class was started for the senior high school group in January, and a group of the girls completed 12 hours in the study period time.

The School Nurse completed an Instructor's Course in First Aid of 15 hours during February, and renewed her Certificate under a Red Cross Field Representative to teach this course.

A junior high school group of 80 students started classes in First Aid, March 20th.

Seventy-five students received Certificates completing 20 hours of First Aid Instruction with the School Nurse.

Report for January to December, 1951

Due to an intensive program of immunization for the preschool children in the past few years, we do not have such large groups of children coming to school not having been immunized.

SIXTY-NINTH ANNUAL REPORT

During the spring and again in the fall of 1951, any child who needed protection against diphtheria, whooping cough and tetanus was invited to have this protection at the Town Hall clinic given by our Health Officer, Doctor Mazzacane. Protection against smallpox thru vaccination was also offered.

We have close to a 100% total immunization with our school children.

During January and February, patch tests for T.B. were given to the subprimary class, new students, and retest patients at the Elementary School, to the new students and retest patients at the Federal School, and to the Junior High and Senior High School students in preparation for March X-ray clinic. Sixteen students went to the clinic accompanied by the School Nurse. X-ray reports generally good.

Elementary School

Conferences were carried on through the entire year either individually or in class groups on matters of personal health and hygiene, disease prevention and care, and various problems of interest to the individual or group.

Communicable Diseases Reported to School — 1951

Measles	19
Chick Pox	22
Mumps	5

Audiometer Tests Spring 1951, March 15th and 16th

Total	161
Failures	6

Tests were given to the fourth grade and all new students plus the students who had failed in the audiometer tests during previous years.

The Maine Diabetic Association sponsored a clinic for finding diabetes amongst Maine's citizens this fall. Through the efforts of our School Doctor, Doctor Skillings, some fifty urine specimens were collected from school children who showed abnormal habits, such as: excessive thirst, frequent urinations, and bed wetting. We were pleased to receive good reports on all of the tests done.

The Hot Lunch under Mrs. Esther Crowley and the Dental Clinic Program under Mrs. Abby Grant have been of great value to our school children during the past year and our best appreciation is given to all the workers and sponsors of these projects, and a word of thanks is also given to the various groups and individuals who have helped us in many ways in the care of our school children during the year 1951.

AGNES V. MURPHY, P.H.N.

TOWN OF OLD ORCHARD BEACH

February 6, 1952

Mr. Cecil Cutts
Supt. of Schools
Old Orchard Beach, Maine

Dear Mr. Cutts:

I have examined the pupils and students in our schools and find their health and general physical condition to be excellent on the whole.

There are the usual disabilities to be found but few of serious nature, and these are rechecked if proper attention is not carried out.

We have of course been subjected to the same infectious diseases that have been so prevalent throughout the State this year.

Our health examinations this year were furthered by the institution of a free urinalysis for the detection of Diabetes. This was done in conjunction with the drive sponsored by the Maine Diabetic Society in an effort to detect this condition in children which is so many times overlooked. The response was tremendously satisfactory and I am gratified to report that all tests received were negative. Diabetes can be so detrimental to a child's health that I am sure this health program will be continued in the future.

Of the several hundred examined you will find listed below those conditions which were the most conspicuous.

Cardiac	9
Diseased tonsils	31
Dermatological	3
Glandular	2
Asthmatic	1

Very truly yours,
DONALD S. SKILLING, D.O.

Public Health Nursing Service

Town of Old Orchard Beach, Maine

To the Board of Selectmen and the Citizens of the Town of Old Orchard Beach, Maine.

The 21st annual report of the Public Health Nursing Service is hereby submitted:

Total Cases—789, classified as follows:

Nursing

Non-communicable	170
Acute communicable	42
Pre-natal	19
Maternity	34
New born infants	48
Tuberculosis	99
<hr/>	
Total	412

Welfare

Infants (1 mo. to 1 yr.)	157
Pre-school	149
School	29
Adult welfare	29
Crippled children	7
Unclassified	6
<hr/>	
Total	377

Total visits to Homes—2,781, classified as follows:

Nursing

Non-communicable	1,663
Acute communicable	74
Pre-natal	86
Maternity	65
New born infants	76
Tuberculosis	308
Unclassified	50
<hr/>	
Total	2,322

TOWN OF OLD ORCHARD BEACH

Welfare

Infants (1 mo. to 1 yr.)	139
Pre-school	158
School	38
Adult welfare	59
Crippled children	65

Total	459
-------	-----

Office visits—369, classified as follows:

Non-communicable	228
Acute communicable	2
Pre-natal	13
New born infants	9
Infants (1 mo. to 1 yr.)	11
Pre-school	13
School children	15
Crippled children	3
Adult welfare	13
Tuberculosis	18
Interviews in behalf of patients	43

Total	369
-------	-----

Child Health Conferences	44
Number attending	412
Number given physical examinations	11
Number given advice by physician	16
Number immunized (complete)	87
Number vaccinated	76

Total injections given	234
------------------------	-----

(Complete immunization consists of three injections at one month intervals, of the diphtheria, whooping cough and tetanus toxoid.)

Clinics for the Control of Tuberculosis

Semi-annual, March and September	2
Number of skin tests given for Tuberculosis	30
Number of persons X-rayed	85

Other services to the Tubercular patient are the supplying of Sputum specimen receptacles, Special X-rays by appointment at the Hospitals, between the regular clinic periods as ordered by the physicians, and X-raying of children who are direct contacts of an active case and are too small to be X-rayed at the State mobile clinic.

Assistance with obtaining Sanatorium care.

Meetings attended by nurses 14

Many of these meetings are the medium through which the nurse receives Education and Information in advanced methods and procedures in the field of nursing.

With the rapid developments in Medicine and Science, the Public Health Nurse must be prepared to carry out orders for medication and treatment of the patient in the home, many times with improvised equipment and away from the conveniences of the hospital.

The annual Cost Study was computed and submitted to those affiliating agencies with whom contracts are held, namely: Metropolitan Life Insurance Company, John Hancock Life Insurance Company, U. S. Veterans Bureau.

The Metropolitan and the John Hancock Companies will terminate their contracts with all nursing services, January 1st, 1953. The withdrawal of these contracts will reduce the income of the nursing service approximately (\$300.00) three hundred dollars per year.

The Nurses have participated in the Civil Defense Public Safety program throughout the year.

Miss Aline Masterman, R.N. has served as the part time assistant during the entire year.

I wish to extend my sincere appreciation to Mr. Albert Gray, Town Manager, the Selectmen, Physicians, School Nurse and the Volunteer Health Council for their support and co-operation in making this program possible.

Respectfully submitted,

HARRIET E. HARBIG, R.N

PUBLIC WORKS DEPARTMENT

The Public Works Department under Clyde MacDonald accomplished the following work this year:

Rebuilt Atlantic Avenue from Washington to Longwood Avenues.

Repaired a section of Temple Avenue between Saco Avenue and railroad tracks. The state accepted Temple Avenue as a State Aid Road and bought enough pipe to lay 1300 feet of storm drain to conduct surface water of this area to brook near Spring Street. This years State Aid Construction money should be used on this project to lay pipe and install catch basins and construct new road bed and surfaces.

Replaced the small wooden bridge on West Grand Avenue west of Randall Avenue with twin 48" culvert also installed six new culverts across West Grand Avenue between Odena and Oceana Avenues.

Widened and graded upper part of Smithwheel Road. Some more work will be necessary, however, before it can be tarred.

Widened Central Park Avenue between Longwood Avenue and junction of Hillcrest Avenues.

Graded, graveled and tarred Oakland Avenue and Church Street.

Widened and gravelled lower end of Lake Avenue also installed new culvert near Somerset Avenue.

Graded, gravelled and tarred Center Street, Murphy Avenue, Maple Avenue and Michaud Avenue in the Halfway section.

TOWN OF OLD ORCHARD BEACH

Black topped sidewalks on Ancona Avenue, Winona Avenue, Temple Avenue and Milliken Street. Beach Street was not blacktopped as planned because of the lateness of the season, much of the work was delayed because of the lack of help during the summer season.

The gravel walk on First Street was not constructed because it was found that the street surface near Central Park Avenue was too near the Boston and Maine property to allow space for a walk without first rebuilding that end of the street.

A section of sewer on East Grand Avenue from Brown Street to Linwood Street was relaid, replacing a badly broken line.

A new sewer was laid on Pleasant Street, Eleventh Street, from Evergreen Avenue to Maplewood Avenue and 250 feet on Linden Street.

Relaid storm sewer on Fort Hill Avenue at Junction of Heath Street to Westland and on Westland to McCurdys. This line should be relaid 150 feet further.

Raised several old manholes and installed several new ones, also catch basins and replaced broken lengths of pipe in various parts of town.

The laying of the new sewer lines on Adelaide Road and Massachusetts Avenue had to be postponed because of lack of time before the ground froze.

The storm sewer on West Grand Avenue near the freight house was found to be in bad condition with broken and plugged pipes. The outfall to the sea was plugged with sand so as to necessitate an expensive job of locating and clearing and undoubtedly, relaying over 1500 feet of pipe, so by reversing 400 feet of pipe on West Grand

Avenue, the flow was changed to the Fernald Street out-fall. This job is not completed, and will not be, until thawing weather prevails, thereby, reducing the cost.

The foundation and reconstruction of the building given to the town by the York National Bank, which they moved at their own expense, to be used as a repair shop and garage for this department, was one expense which could not be foreseen when the appropriations were drawn up last year.

More of the overdraft came from the unexpected expenses on the Walters trucks and the antiquated loader, which were quite high due to the age and condition of the equipment.

The overdraft in the Sanitation Department came when it was found it would be necessary to add an extra man on the dry waste truck, making it three instead of the two, for which the appropriation had been set up for.

There are many more items which could be mentioned that this department did this year because on the whole, this was one of the busiest years for the now smoothly functioning Public Works Department.

Inventory of Town Equipment

Public Works Department

- 1—10 ton Adams Grader with V blade and Wings 1941 and 2 sets of chains.
- 1—Link and Belt Shovel with bucket attachment Model R06.
- 1—Chevrolet Rack Body 2 ton 1946 and 1 set of chains.
- 1—Walters Dump truck 5 ton with V and two wings 1945.
- 1—Walters Dump truck 3 ton with V Blade and wing 1936 and 1 set of chains.
- 1—Case tractor with V and Blade 1 set of chains 1945.
- 1—Chevrolet Dump truck 2 ton with Blade 1951 and 1 set of chains.
- 1—Chevrolet Rack Body 2 ton 1951 and 1 set of chains.
- 1—Chevrolet Pick up $\frac{3}{4}$ ton 1951.
- 1— $\frac{1}{2}$ ton gas roller.
- 1—Boring reel and motor.
- 2—2" centrifugal pumps and hose—Gas.
- 1—4" Diaphragm Sludge pump and sanitary tank—Gas.
- 1— $\frac{1}{2}$ Bag cement mixer.
- 2—4" centrifugal sump pumps—Electric.
- 1—1 $\frac{1}{2}$ centrifugal sump pumps—Electric.
- 1—Jack Hammer—Gas.
- 1—200 Gallon Tar Kettle—Gas.
- 1—Dump Cart.
- 2—Horses with harness.

Police Department

- 1—Police Car and Equipment.
- 2—Way radio.
- 1—Complete Fingerprint Set.
- 2—Desks.
- 8—Lockers.
- 200—Parking Meters.
- 2—Filing Cabinets.
- 1—Typewriter.
- 3—Metal Stretchers.
- 2—Wooden Stretchers.
- 5—Lifeguard Boats.
- 2—First Aid Kits.
- 16—Oars for Lifeguard Boats.
- 10—Life Preservers.
- 1—Parking Meter Receipts Machine.
- 3—Blankets.

TOWN OF OLD ORCHARD BEACH

Fire Department

- 1—1948 LaFrance 750 gal. Pumper and Tool Kit.
- 1—1925 LaFrance 1000 gal. Pumper and Tool Kit.
- 1—1930 LaFrance Quadrel 1000 gal. Pumper and Tool Kit.
- 1—1941 Chevrolet Forest Fire Truck 500 gal. tank.
- 1—1934 Ford Forest Fire Truck 500 gal. tank.
- 1—1929 Chevrolet Forest Fire truck 150 gal. tank.
- 25—Gamenell Alarm Boxes outside.
- 9—Miles No. 9 Wire.
- Pins and Cross Bars, 1 Master Box, 1 Indicator, 1 Tuttle Gong.
- 1—Gamwell System.
- 1—Hose Clamp.
- 1—500 Watt Flood Light Set 500' Cord.
- 1—1000 Watt Flood Light Set 500' Cord.
- 4—Lifesaving Belts.
- 7—Pike Poles.
- 3—5½ Strainers.
- 1—4½ Strainers.
- 17—Auxiliary Hats.
- 10—Red Raincoats.
- 31—Black Raincoats.
- 21—Regular Hats.
- 15—Shut-off Play Pipes, 2 Plain 2½'.
- 2—1½ Shut-off & Applicator.
- 2—¾ Shut-off & Applicator.
- 2—¾ Shut-off Nickle Rockwood.
- 1—2½ Shut-off Nickle Rockwood.
- 1—1 Gal. Pyrene.
- 2—1 Qt. Pyrene.

SIXTY-NINTH ANNUAL REPORT

- 1—2 way Eastman Deudge Set 3 tips.
- 1—3 way Eastman Deudge Set 3 tips.
- 3—sets Double Male and Female Conn. $2\frac{1}{2}$.
- 2—Wire Cutter.
- 1—Buster Bar.
- 2— $2\frac{1}{2}$ Siamese 2 Male to 1 female thread.
- 2— $4\frac{1}{2}$ to $2\frac{1}{2}$ Siamese Shutoffs Hydrant Gates.
- 2—Hydrant Wrench 23.
- 17—Spanners 13 12.
- 1— $3\frac{1}{2}$ Spanner.
- 1—Lawn Mower.
- 1—Edger.
- 2—Grass Rakes.
- 2—Neely Hose Jackets.
- 1—Cellar Pipe.
- 2—Hose Carriers.
- 1—Hose Shoe.
- 2—Eastman Pipe Holders.
- 1—Hose Coupling Expander.
- 1—20 Ton Jack.
- 1—12 Ton Jack.
- 8—Single blocks and rope Hose Tower.
- 2—Sets Block and Tackle.
- 1—Air Compressor for Truck Tires.
- 2—Air Compressors LeBaron Alarm System.
- 1— $2\frac{1}{2}$ Female to $\frac{1}{2}$ " Male.
- 2— $1\frac{1}{2}$ All Round.
- 1— $\frac{3}{4}$ All Round.
- 3—Sets $1\frac{1}{2}$ Double Make & Female Coupling.
- 1—grease gun air.
- 3—Foamite Tanks $2\frac{1}{2}$ gal.
- 3—Foamite cans.
- 1—Alcohol Tester.
- 2—Battery Testers.

TOWN OF OLD ORCHARD BEACH

- 5—gal. Distilled Water
- 5—gal. Anti-Freeze.
- 1—Snow Plow for Yard.
- 2—Robinson Stretcher.
- 2—snow shovels.
- 2—snow scoops.
- 1—set 2 ton chain falls.
- 2½" Hose Lengths 6,050.
- 1½" Hose Lengths 2,450.
- Booster Hose Lengths 900.
- Suction Hose 2-10' Lengths 4½".
- Suction Hose 4-10' Lengths 5½".
- Suction Hose 1-10' Lengths 1½".
- 1—Steam Boiler with 3 fans, 1 radiator.
- 12—\$15.50 chairs.
- 1—Floor Oiler.
- 1—Band-It Hose Tool.
- 1—2 Wheel Trailer.
- 1—Night Gong, 1 Door Bell, 2 sinks, 2 lavatories.
- 5—Metal Drip Pans, 6 sets Tire Chains.
- 3—Chimney Nozzels.
- 1—Liquid Foam Pipe.
- 1—Kelly Bar.
- 1—Adapter 2½" Female to 4" Male.
- 1—Life Line.
- 1—Cellar Nozzle.
- 2—Pr. Rubber Gloves.
- 3—All Purpose Masks.
- 1—H&H Single Inhalator.
- 1—H&H Double Inhalator.
- 10—Ladder Straps.

- 4—Battery Chargers.
- 3—1½ Strainers.
- 4—Single Hydrant Gates.
- 2—Dung Forks.
- 2—Sets Ladder Dogs.
- 3—Wetcell Carpenter Lights.
- 2—Drycell Carpenter Lights.
- 1—E&J Resucitator.
- 11—Small Oxygen Tanks.
- 1—Large Oxygen Tank.
- 1—3 way Extension Ladder.
- 2—28' Extension Ladders.
- 2—12' Roof Ladder.
- 1—26' Roof Ladder.
- 1—20' Roof Ladder.
- 2—28' Wall Ladders.
- 2—50' Extension Ladders.
- 2—45' Extension Ladders.
- 2—35' Extension Ladders.
- 9—Fireman Axes.
- 6—Palasky Tools.
- 6—Forest Fire Shovels.
- 26—Indian Tanks.
- 6—Portable Pumps.
- 5—Crowbars.
- 2—First Aid Kits.
- 1—Water Thief.
- 1—Crash Axe.
- 20—Smoke Masks.
- 2—2½-2½ Female and 1 male thread siamese.

TOWN OF OLD ORCHARD BEACH

- 1—Adapter $4\frac{1}{2}$ - $2\frac{1}{2}$.
- 2—Adapter $5\frac{1}{2}$ -4.
- 1—Adapter $5\frac{1}{2}$ - $2\frac{1}{2}$ Siamese.
- 1—Adapter $5\frac{1}{2}$ -5.
- 1—Adapter $5\frac{1}{2}$ - $2\frac{1}{2}$.
- 1—Adapter $4\frac{1}{2}$ -4.
- 3—Scott Air Pac Mask.
- 1—Extra Tank.
- 2—Salvage Corers.
- 1—24' Extension Ladder.
- 2—35' Extension Ladders.
- 1—35' 3-way Extension Ladder.
- 1—20' Roof Ladder.
- 2—12' Roof Ladders.
- 2—50' Extension Ladders.
- 2—28' Wall Ladders.
- 1—26' Roof Ladder.
- 2—45' Extension Ladders.
- 1—28' Extension Ladder.
- 1—12' Roof Ladder.
- 2—Pompy Ladders.
- 1—Fold Ladder.
- 1—Step Ladder.

TOWN OF OLD ORCHARD BEACH

Warrant

To Leo Farrington, a person residing in the Town of Old Orchard Beach, in the County of York: GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Old Orchard Beach, qualified to vote in town affairs, to assemble at the Town Hall on Monday, the 3rd day of March, A.D. 1952, at 9 o'clock in the forenoon, then and there to act upon the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose all necessary Town officers for the ensuing year.

Art. 3. To see if the town will vote to raise and appropriate the sum of \$119,950.00 for schools, to be divided as follows: Common Schools \$61,065.00; High School \$27,453.00; textbooks, \$3,500.00; repairs, \$5,000.00; supplies, \$3,400.00; maintenance, \$5,725.00; Industrial Arts, \$3,074.00; School Physician, \$150.00; Home Economics, \$2,410.00; Physical Education, \$5,793.00; Supervision, \$2,180.00; School Committee, \$200.00.

Art. 4. To see what sum, if any, the town will vote to raise and appropriate for the pay of Town Officers, Town Manager, and clerical assistance.

Art. 5. To see if the town will vote to appoint a committee of five to settle with Albert Gray, Jr. for the monies he has received on his commitment as tax collector for the year 1951, to demand and receive such bills, and to discharge him therefrom.

Art. 6. To see what sum, if any the town will vote to raise and appropriate for heating, lighting and care of Town Hall.

Art. 7. To see what sum, if any, the town will vote to raise and appropriate for contingent expenses.

Art. 8. To see what sum, if any, the town will vote to raise and appropriate for payment of serial bonds.

Art. 9. To see if the town will vote to authorize the Budget Committee of 1952 to act in an advisory capacity to the Board of Selectmen and Town Manager and to meet with said board and manager once a month.

Art. 10. To see what sum, if any, the town will vote to raise and appropriate for interest on bonds and notes.

Art. 11. To see if the town will vote to fix a date when taxes shall be due and payable and to see if the town will vote to fix a rate of interest to be charged on taxes after said date.

Art. 12. To see what sum, if any, the town will vote to raise and appropriate for maintaining a police force.

TOWN OF OLD ORCHARD BEACH

Art. 13. To see what sum, if any, the town will vote to raise and appropriate to maintain a fire department.

Art. 14. To see what sum, if any, the town will vote to raise and appropriate for lifeguard service.

Art. 15. To see what sum, if any, the town will vote to raise and appropriate for hydrant rental.

Art. 16. To see what sum, if any, the town will vote to raise and appropriate for maintaining street lights.

Art. 17. To see what sum, if any, the town will vote to raise and appropriate for public health nursing service.

Art. 18. To see what sum, if any, the town will vote to raise and appropriate for immunization.

Art. 19. To see what sum, if any, the town will vote to raise and appropriate for the Public Works Department divided as follows: Sanitation, \$18,750.00; Highways and Bridges, \$14,675.00; Sewers and Drains, \$7,300.00; Snow Removal, \$7,500.00; Road Surface Material, \$15,000.00; Sidewalks \$2,000.00; Town Team, \$2,850.00; Town Dump, \$1,000.00; Cleaning Streets and Beaches, \$5,600.00; Care of Cascade Grounds, \$150.00; Care of Temple Ave. \$150.00.

Art. 20. To see what sum, if any, the town will vote to raise and appropriate to purchase new equipment for the Public Works Department.

Art. 21. To see what sum, if any, the town will vote to raise and appropriate for State Aid road construction in addition to the amounts regularly raised for the care of ways, highways and bridges under the provisions of Section 25 and 29, Chap. 20, R.S. 1944, as amended.

Art. 22. To see what sum, if any, the town will vote to raise and appropriate for public assistance.

Art. 23. To see what sum, if any, the town will vote to raise and appropriate for aid to dependent children.

Art. 24. To see what sum, if any, the town will vote to raise and appropriate to assist the Library Association.

Art. 25. To see what sum, if any, the town will vote to raise and appropriate for mosquito and moth control.

Art. 26. To see if the town will vote to raise and appropriate the sum of \$1,400.00 for the payment of liability insurance.

Art. 27. To see if the town will vote to authorize the issuance of town notes and to pay those, if any, which fall due the present year.

Art. 28. To see if the town will vote to pay the premium on required surety bonds.

Art. 29. To see if the town will vote to raise and appropriate the sum of \$75.00 for membership fee in the Maine Municipal Association.

Art. 30. To see if the town will vote that moving pictures may be shown on Sundays between the hours of 3 p.m. and 11:30 p.m. in accordance with provisions of Section 39-G of Chap. 255 of the Laws of Maine, 1939.

TOWN OF OLD ORCHARD BEACH

Art. 31. To see if the town will authorize the Selectmen and treasurer to sell and dispose of property acquired by the town by tax process, on such terms as they deem advisable and to execute quitclaim deed for such property.

Art. 32. To see if the town will vote to instruct the Board of Selectmen to call a special meeting of all World War II Veterans residing in the Town of Old Orchard Beach, to discuss releasing funds from the Town's World War II Memorial fund for the purpose of erecting a permanent Honor Roll of those veterans names as now appear on the present Town Honor Roll.

Art. 33. To see if the town will vote to raise and appropriate the sum of \$50.00 for the purpose of decorating graves of War Veterans, under the direction of the Veterans of Foreign Wars.

Art. 34. To see if the town will vote to authorize the Selectmen to appoint a budget committee to serve for the year 1952.

Art. 35. To see if the town will vote to authorize the Selectmen to close certain streets during the winter months for the safety of children sliding.

Art. 36. To see if the town will vote to authorize the Selectmen to lease the Old Orchard House Field, so-called to the Old Orchard Beach Lions Club for the purpose of parking cars from the first day of May, 1952 to the first day of October, 1952 for the sum of \$1,000.00.

Art. 37. To see if the town will vote to authorize the Selectmen to secure Workmen's Compensation Insurance covering town employees, and if so, what sum shall be appropriated for payment of premium.

Art. 38. To see if the town will vote to raise and appropriate funds to defray the expenses incurred for the observance of Memorial Day under the direction of towns veterans organizations. Said fund not to exceed \$200.00.

Art. 39. To see if the town will vote to change the hourly rate of the common laborer from 75c to \$1.00.

Art. 40. To see if the town will vote to raise and appropriate the sum of \$434.91 with interest, for the payment of withholding taxes in the year 1949, still due to the Federal Bureau of Internal Revenue.

Art. 41. To see if the town will vote to raise and appropriate the sum of \$6,000 for advertising purposes for the year 1952, said expenditures to be approved by the Board of Selectmen.

Art. 42. To see if the town will vote to raise and appropriate the sum of \$750.00 for Civilian Defense, expenditures to be approved by the Board of Selectmen.

Art. 43. To see if the town will vote to designate the area between the Town Hall and the Post Office Building now called Hoffman Street Extension to Abbott-Verville Square.

Art. 44. To see if the town will authorize the Selectmen and Treasurer to execute a Quit-Claim deed to a strip of marsh land on the southwesterly side of Walnut Street from Milliken Street to Jordan Brook and extending back from Walnut Street a distance of 100 feet, to Joseph Glazier for the sum of \$1,000.00.

TOWN OF OLD ORCHARD BEACH

Art. 45. To see if the town will vote to raise and appropriate the sum of \$800.00 to be used in advertising the Town of Old Orchard Beach, at the annual Sportsmen's Shows in Boston and New York. Said sum to be taken from the advertising appropriation.

Art. 46. To see what sum, if any, the town will vote to raise and appropriate to install lights and alarm boxes on the following streets:

Street Lights

Corner of Beecheri Avenue
Temple Avenue and Tenth Street
Church Street between 15th and 15th Street
Lake Avenue between Central Ave. and Summit Street
Saco Avenue on Pole No. 83

Corner of Mass. Ave. and Tenth Street
Corner of Winona Avenue and Ninth Street
Corner of Longwood Avenue and Westland Avenue
Hillcrest Avenue (Storm sewer)
Tioga Avenue, West Grand Avenue (Culverts)
Tioga Avenue, Roanoke Avenue (Culverts)

TOWN OF OLD ORCHARD BEACH

Seaside Avenue at Roanoke Avenue to Grand Avenue
(Drainage)

Ocean Avenue between Central and Somerset Avenue
(Manhole)

Sewer Survey for Halfway.

Art. 50. To see whether or not the town will vote to raise and appropriate the sum of \$300.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 80, Section 95, of the Revised Statutes of Maine.

Art. 51. To see what sum if any the town will vote to raise and appropriate for refunds on taxes.

William J. and Rose Fournier \$221.50

Mary D. Bowen \$117.00

Amelia Roberge \$21.70

Art. 52. To see if the Town will vote to accept Charles Avenue as laid out by the Selectmen.

Art. 53. To see if the Town will vote to accept Lewis Avenue as laid out by the Selectmen.

Art. 54. To see if the Town will vote to approve social security for town employees becoming effective the 21st day of March.

SIXTY-NINTH ANNUAL REPORT

The Selectmen will be in session at the Town Hall on Thursday, Friday, and Saturday, February 28 and 29, and March 1st from one to five o'clock each day and on Friday evening from seven to nine o'clock P.M. for the purpose of registering new voters and correcting the voting list.

The Polls will be open at 9:00 A.M. and will remain open until 7:00 P.M.

Given under our hands this 23rd day of February, A.D. 1952.

ARTHUR T. DICKSON

CHARLES E. HUOT

FRED I. LUCE

VITO J. SANTORSOLA

Selectmen of Old Orchard

Auditor's Report

AUDITOR'S CERTIFICATE

WE HEREBY CERTIFY, That we have examined the accounts of your Treasurer, Collector and Selectmen for the year ended December 31, 1951, and find all funds properly accounted for and all expenditures supported by proper authorization. In our opinion, the appended statements fairly present, in accordance with generally accepted principles of municipal accounting consistently maintained, the financial position of the Town of Old Orchard Beach as at December 31, 1951.
